SIGNATURE

# DRAGONFLY

The Dragonfly is a Catherine Denoual Maison signature design and has been one of the most iconic patterns since the creation of the brand twenty years ago. This wonderfully delicate and elegant creature with its beautifully coloured wings and elongated body is the epitome of grace. The wings are completely hand embroidered with 4 different colours of thread to create the lightness of the transparent wings. This tropical muse invokes a spirit of oriental poetry and brings a dazzling liveliness to your home.
